Wanstead Ivory Wall Sconce

Achieving a traditional lantern shape entirely from rattan is a feat, one that was beautifully realized when artisans wove the Wanstead Ivory Wall Sconce from the natural material, slicing the normal depth in half while retaining the charm of the style. Both the thin and thick ribs intermingling to create the rattan lantern have been bleached to lighten the design. The antique Pearl finish on the hardware enhances the airiness of the beige sconce's profile.
