Avondale Natural Teak Bar Stool

Lovers of minimalism will be drawn to the Avondale Teak Bar Stool, which is made of natural teak wood. The mid-century modern design that inspired it has been pared down to make this a contemporary outdoor bar stool. The clean lines bring an uptick in style for added sophistication, and the wood from which it is made, famed for its durability, means the patio bar stool will stand up to the elements during each changing season with proper care.
