Meteor Bowl Ivory Small

Based on the popularity of our Meteor Bowls, we have created two new sizes and a new colour. The original of this grand statement piece was created by a Portuguese artist whose work first caught our designers' eyes at an art fair in Portugal. It took years of collaboration to arrive at this design that can be consistently produced. Multiple pieces are cast, bound together, and fired. Then it receives a reactive glaze and is fired a second time. There is a tremendous amount of artisan work that goes into every piece. Entire rooms could be designed around this beautiful and functional sculpture.
